

CEDAR DECKING OVERSTOCK SALE @ MEEK'S ANDERSON!

- Good One Face, Kiln-dried, Western Red Cedar finish material.
- Excellent stability -- finish lumber and patterns are kiln-dried to minimize warp, cup and twist.
- Naturally resistant to rot, decay and insect damage making it an excellent choice for outdoor use and exterior projects.
- Light in weight but durable and long lasting.
- Straight grained & soft textured.
- Accepts paint, stain and finish of all types.
